

**Lehigh Valley Blues Network  
Monthly Board Meeting  
September 27, 2006  
Bluetone Café Easton, Pa.**

**President Walt Garvin called the Meeting to order. John White made the motion to start the Meeting.**

Present were President Walt Garvin, V. President Jim Mertz and Board Members: John White, Glenn Wasserman, and Barry Hay. This was to be a short Board meeting due to time constraints of several members.

There are questions about the status of the 316 Club Walt will discuss it with Stanley and confirm with him the October 29<sup>th</sup> Party.

Jim Mertz is attempting to get the Black Widow band for the event. He also suggested that we get Gene Avery to play that day but the board felt that one band for the event was enough.

Jim reported that the Blues Net was almost complete and that it should be on time.

There will not be a Jam on October 22 and Walt will schedule a board meeting for next month at another time possibly at one of the Tuesday night jams at the Macungie Pub.

The meeting was closed by Walt.

Respectfully submitted
