

**Lehigh Valley Blues Network
Monthly Board Meeting
October 24, 2006
Macungie Pub Macungie, Pa.**

President Walt Garvin called the Meeting to order.

Present were President Walt Garvin, and Board Members: John White, Glenn Wasserman, Bob Hall, and Barry Hay. This Meeting was held here due to the 316 not being available on the 22nd.

The discussion this evening was about the upcoming LVBN Party on the 29th. John White had prepared a flyer that he had forwarded to all board members and asked them to pass them out and if possible to send the info to all by e-mail. Jake had confirmed that he would provide the sound for the show. Walt confirmed that Jim had booked the Black Widow Band for the event. He had also talked to Stanly and Pam and they will have the decorations there from the event the previous night. We will do some 50-50 drawings. Glenn said that he would touch base with Mitch at 99.9 to see if he could mention the event for us. The Band is scheduled to start at 6:30.

It was confirmed that the Blues Net was now printed and mailed.

Walt reported that he had talked to Stanley and that the 316 will change hands soon but at the moment things will stay as they are, he will let us know of any changes.

In reference to the Petition that has been circulated concerning the Sunday jams at the 316 it was agreed that we will have a special meeting at the Macungie Pub November 14th at 7:30 and all jammers and persons concerned may attend this is not a regular board meeting but a fact finding/ Information search meeting.

At this point I had to leave due to a personal responsibility, and the rest of the board were bringing the meeting to a close. Jim phoned to say would be late.

Next Meeting will be November 19th.

Respectfully submitted
Barry Hay
Secretary LVBN
