

**Lehigh Valley Blues Network
Monthly Board Meeting
June 25, 2006
Club 316, Emmaus, Pa.**

President Walt Garvin called the Meeting to order. John White made the motion to start the Meeting Seconded by Mat Roman.

Present were President Walt Garvin, V. President Jim Mertz and Board Members: John White, Mat Roman, Barry Hay, and Bob Hall.

Walt Garvin presented a Jam door Coverage Sheet and asked all board members to pick a week to work the door.

Walt suggest that Tom Shedlock would be a good replacement for Don Plowman as Treasurer, He had been part of the LVBN as treasurer in the past and the board agreed that Walt should contact him if he would be willing to take over the duties.

Jim Mertz said he is handling the Staffing of the Pocono event..

Walt reported that Touchstone theater had asked about the LVBN's further involvement in the Friday night events and he informed them that at this time we would pass as was the boards wishes.

It was reported that the Sunday Jams were for the most part well attended and were generating income for the LVBN. It was recommended that 50% of the 50 - 50 would go to the equipment fund and the Board approved this.

The new Blues Net was printed and sent. Several ads that were to be included were missed because they did not get to the editor. In the future all material must be sent to the editor either directly or through the link on the LVBN Web site.

This issue was printed through an independent source, but the next issue should once again be done by LCCC as the students will be back in school. John White suggested that the next issue have more copies printed and that we do our best to place them at Blues Venues and shops frequented by Musicians and patrons who enjoy live music. The board approved this. The next issue for the fall should be out by the 1st of October to cover October through December. This would mean a mailing by September 25th.

It was discussed that we will look at possibly have a show in October with a national act.

Our next LVBN board Meeting is scheduled for August 27th, at the Club 316 at 4:30pm.

Respectfully submitted
